Overview of the 2019 Rail Replacement Works

2019 sees the rail replacement project continue, replacing track that was initially laid in the early 1990's. In 2018, South Yorkshire Passenger Transport Executive (SYPT) appointed VolkerRail to carry out this phase of the engineering work. VolkerRail has extensive experience in track replacement, having carried out the previous works between 2013 - 2018. Stagecoach Supertram will support the project by providing alternative transport arrangements to our customers whilst the works take place.

Work will take place in the five areas shown below, at various times between April and August:

- Hillsborough Corner & Middlewood Road
- Shalesmoor towards Hillsborough
- Shalesmoor
- Holme Lane
- University of Sheffield

A full tram service is expected to operate on all routes between works on the 19th - 21st July and 10th - 24th August.

During the works, dedicated tram replacement buses will run in the affected area. **subject to alteration.*

Please see the table below for ticket validity.

Stagecoach ticket type	Valid on trams	Valid on tram replacement buses	Valid on normal Stagecoach buses
Tram Only Dayrider or Megarider	✓	✓	✗
Bus Only Dayrider or Megarider	✗	✗	✓
Bus & tram Dayrider or Megarider	✓	✓	✓
Tram Only Single	✓	✓	✗
CityBus	✗	✗	✓
CityWide	✓	✓	✓
GetAbout	✓	✓	✓

You can still take advantage of our range of great value tickets online at supertram.com (click the tickets tab).

We expect a full tram service to operate on all routes during the Tramlines music festival 19th - 21st July 2019.
