**Other departure information**

**Electronic passenger information displays**  
At each 'stand' (e.g. A1, B3 etc) there are screens showing real-time departure information from that point. The screens show destinations and departure times.

There are larger screens located in the main interchange areas, showing real-time departure information for all bus services leaving the interchange.

The screens also provide information such as the disruptions and changes to other products and services.

**Service Information posters**  
These are displayed throughout the interchange.

The 'Stands by Destination' posters show:

- A table of destinations in alphabetical order
- Which bus services serve these destinations
- The stand numbers (e.g. A1, B3 etc) the bus services depart from

The 'Stands by Service' posters show:

- A map of Rotherham Interchange and where the stands (e.g. A1, B3 etc) are located
- A table of bus service numbers in alphanumeric order (e.g. 1, 1a, 2, 2b etc)
- The stand where the buses depart
- Bus operator name
- Final destination and approximate journey time
