

Ticket and fare information for dedicated school bus services

Children and young people using dedicated school buses will need to have the right ticket for the service they are using. As there are now a few new school bus operators there may be some differences to the type of ticket you can use on each service. Please check the list below, before you travel to ensure you know what tickets and fares are available on your service.

Concessionary fares are available on all school bus services for journeys within South Yorkshire*. Children and young people will be able to use their Megatravel pass or 16-18 Travel Pass to travel for 80p per journey as usual and under 11s do not need to have a pass to get this fare. Anyone who has a Zero Fare Pass or Disabled Person's Pass will be able to travel for free. For more information about travel passes please see our website at <https://www.travelsouthyorkshire.com>

There are also a range of prepaid 1-day, 7-day or 28-day tickets which will be accepted on most school services. The list of school services below has been colour-coded so you can see which tickets are valid on your bus. Check the table below for the key:

Colour code	Valid tickets
	No prepaid tickets are valid on this service
	GetAbout prepaid tickets are valid on this service. For more information on GetAbout tickets visit https://sytravelmaster.com/where-to-buy/
	GetAbout and First prepaid tickets are valid on this service. For more information on GetAbout tickets visit https://sytravelmaster.com/where-to-buy/
	GetAbout and Stagecoach prepaid tickets are valid on this service. For more information on GetAbout tickets visit https://sytravelmaster.com/where-to-buy/
	GetAbout tickets are valid on this service – you must show proof of purchase (either a printed receipt or on a smartphone). If you have a prepaid ticket from First or Stagecoach because they run most of the buses in your area, you can use that instead.
	This service runs to a school outside South Yorkshire and the journey isn't covered by SYPTE concessions. Please contact your school or the bus operator for details of any ticketing arrangements.
	There are no school bus arrangements for this school at present.

* For journeys to schools outside South Yorkshire, please contact the school or the bus operator for details of ticketing arrangements.
